

Education Centres have a particular remit under the Education Act 1998. In this context they respond to the system's continuing professional development agenda on behalf of the Department of Education and Skills and to the professional development needs of the school community at local, regional and national levels.

Education Centres are statutory bodies, funded by the Teacher Education Section of the Department of Education & Skills and are managed by voluntary Management Committees elected annually. All teachers registered with the Teaching Council and employed in schools within the catchment area of Athlone Education centre are considered "members" of Athlone Education Centre.

The purpose of the Annual General Meeting is to report on the activity of the Education Centre during the previous year, to present and ratify the accounts from this period, to outline activities planned for the coming year and to elect a Management Committee to govern the Education Centre during this period.

The Annual General Meeting of Athlone Education Centre will be held this year on Tuesday, 20th March at 4.30p.m. in the Education Centre. Motions for the AGM and proposed alterations to the Constitution are now invited.
