

## Child Protection and Safeguarding Inspections

### Seminars for School Principals

#### Primary and Post-Primary

May 2019

The Inspectorate introduced a new model of inspection called Child Protection and Safeguarding and Inspection in January 2019. This inspection focuses on a school's compliance with key aspects of the *Child Protection Procedures for Primary and Post-Primary Schools 2017*.

To familiarise principals with the Child Protection and Safeguarding Inspection model, the Inspectorate is facilitating four further seminars with a maximum of 300 places on each.

The seminars will provide an overview of key aspects of Child Protection and Safeguarding Inspection including its aims and its features, the checks conducted during the inspection and Child Protection and Safeguarding Inspection reports. Participants at the seminar will have an opportunity to discuss and ask questions about the Child Protection and Safeguarding Inspection model.
